INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation v. The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees v. The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees v. The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Gentlemen:

In referring to my application number 13403. Some time ago you notified my brother Eugene Bygos that there was some error in his application. I have never been notified to the name. I do not know what the fault was but however he tried to correct it and found such information as he could and returned the papers. He says he has not heard from you in regard to whether the information he gave was sufficient or not. But I would very much like to know as I can secure witnesses to prove that my father was an immigrant and his name should be on the immigrant roll.

I notice rumors in the Oklahoma Press

That the Eastern Cherokee Fund is to be paid out sometime during this summer and the rolls are to be closed the last of May. If this be true, I have only a short time to look into the matter and try to prove up our rights if they are not alright.

If you will kindly let me know at once, I will begin to look into the matter and find such information and secure witnesses ^{desired} to prove our rights regarding participation in the Eastern Cherokee Fund.

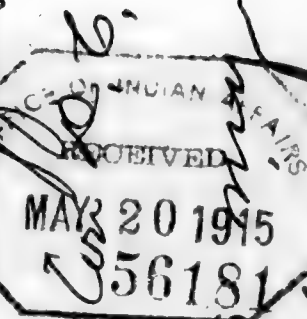

Very Respectfully,

Benjamin C. Hawk, being first duly sworn, deposes and says:-

My name is Benjamin C. Hawk. I am 35 years old. I claim my Indian blood thru my father. My mother was a Shawnee Indian. My mother is still living. My father is dead. My mother is enrolled as a Shawnee. I have always been enrolled with the Cherokees. I was enrolled by the Daws Commission. My father was born in 1836 in the Old Nation East. (Daws Commission #27831) I do not know just exactly when my father came from the East to the Indian Territory. I think that they came at the time of the Emigration.

I have a sister by the name of Lydia Olson who was examined at Miami last fall.

My fathers name was Alexander Hawk. His Cherokee name was Tah-waw-dih. My fathers fathers name was Hawk. Alexander Hawk at the time of the payment of 1851 in Going Snake District. He was living with a man by the name of Ah-wuh-soo-yah (Mixed-water?) (See Del. #85 ?)

Click Hawk had a half brother by the name of Henry Blaylock or Powell. He was a half brother on the mothers side.

Assistant to the Special Commissioner of the
U. S. Court of Claims.

Lucien B. Bell, being first duly sworn deposes and says.

I am about 70 years of age. I knew the father of Benjamin C. Hawk. His name was Alexander Hawk. His Cherokee name was Tah-waw-dih. He sometimes went by the name of Blaylock. He was always known and recognized as an Emigrant Cherokee. I do not think that his father was living in 1851. He was not married in 1851. At the time of the payment of 1852 he was living with a man by the name of A-wah-sooyih, but at the time of the taking of the roll I cannot say where he lived. (A-wah-soo-yah is enrolled in 224 G. S.) I know that is the one meant as I have examined the groups near him on the rolls and I recognize the heads of Families. Alexander Hawk was Speaker of the Cherokee Council and was always recognized as a Cherokee. He shared in all the payments made to the Cherokees.

John Hawk,

Aston, Ohio.

Sir:-

You have on file in this office application #13411 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim by right of your father, Alexander Hawk. You also give your mother's name as Sarah Hawk, nee Bluejacket, and state that she is alive. Further than that you do not state.

Was your father, Alexander Hawk, enrolled as an Eastern Cherokee Indian, or was he enrolled as an "Old Settler"? To what tribe of Indians does your father belong? If an Indian? If a Cherokee, has he filed an application in this office, and what was the result? Please give me the names of your grandparents on your father's side, stating where they were residing in 1811, and under what name they were enrolled. Also state whether your father was enrolled under any other name than that of Alexander Hawk. Has he any brothers and sisters and were they in 1811? If so, and they are now alive and have filed applications in this office, please give their names and the numbers of their applications.

Very respectfully,

Special Commissioner.

Sir:— In reply to your questions concerning Application #13411 for a share of the money appropriated for the Eastern Cherokee Indians I will say that my father, Alexander Hawk, is enrolled as Alexander Return. My mother, Sarah E. Hawk, nee Blumjacket, is a Shawnee Indian. As to my Father's parents I knew not their names, his mother being a white woman. If he ever had any brothers I never heard him speak of them. He has a half brother, Samuel Bread, living at White Oak, Okla. Also one half brother, Henry Black, deceased. My father was enrolled as an Eastern Cherokee, from what information I can obtain. Trusting this information will be

of benefit and hoping to hear from

Watt Sam,
Geoson, Okla.

Sir:-

You have on file in this office application 13483 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim through your mother, Susie Sam, nee Susie Polyn, or P. W. Polyn, or Polin.

I beg to advise that that the name of Susie Polyn, or Polin, or Polin, does not appear upon the roll of 1851; nor does the name of her father, Watt Polyn, appear upon said roll. Please inform this office whether your mother was enrolled in 1851 as an "Old Settler" or an Eastern or Migrant Cherokee Indian.

I notice that you state that your father, Greek, is alive. Is he a Cherokee or Creek Indian, or is he a person who was enrolled? If a Cherokee, has he filed an application in this office? If so, under what name? I cannot find any of the names of your mother's brothers and sisters on the roll of 1851—nor on the Migrant roll. Will they enroll? Or are they "Old Settlers" who were added to the roll?

Respectfully,

Special Commissioner.

Andrew Craig,

Isabella, Holt Co., Tenn.

Sir:-

You have on file in this office an application #13437 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim through your father, Daniel Craig, and your mother, Sarah Craig, stating that your father's Indian name is Andrew your grandmother, Margaret Craig, nee Harris.

I beg to advise that I cannot find the name of Margaret Craig, nee Harris, or the names of your grandparents on your mother's side, Andrew and Sarah Harris, on the roll of 1821; nor can I find the name of Andrew on the roll of 1835. My dear your ancestors

emigrated in 1801. Are your people Indians and whites, or
wholly of Indian blood? If wholly of Indian blood, or by what people?

Yours respectfully,
Respectfully,

Rec. MAR 30 1908
No.

13449

L.B.D.

Pawhuska, Oklahoma, March 26th, 1908.

Mr. Guion Miller,
Special Commissioner,
Washington, D. C.

Dear Sir:--

Your letter of February 12th, 1908, has been received,
and in answer I beg to say; your first question is:-

"Please inform this office who your grandfather was,
and whether or not your grandmother, Susan Alberty, was married
and living with her husband in 1851, and in what district she
was living, and in what district she was enrolled?"

My grandfather's name was Levi Alberty.
I do not know whether or not my grandfather and grand-
were living together in 1851, nor do I know in what district she
was living or enrolled.

Question #2. "Where did your mother, Sarah Alberty,
reside in 1851, and under what name and in what district was she
enrolled at that time?"

I am unable to give you this information.

Question #3. "Have you ever been enrolled in the Cherokee
Nation since your birth, and are you a Cherokee allottee?"

I have never been enrolled, and am not a Cherokee allottee.

Question #4. "Have you received any benefits, lands or
annuities in the Osage Nation?"

Yes. I am a member of the Osage tribe of Indians, regular-
ly on the rolls drawing my annuities and taking my allotments of land.

Question #5. "What relation was your mother to Johnson
Alberty and Katie Alberty, and what relation was she to the present
Andrew Alberty of Oklahoma?"

My mother was a sister of Johnson Alberty, and I think, a
cousin of Katie Alberty. I do not know what relation she bore to
Andrew Alberty of Oklahoma.

I regret my inability to give you the full information de-
sired, but it is not now within my reach.

Dict.

Very truly yours, *Victoria Taylor*

Madam:

Replying to your letter of November 18, 1909, you are advised that your application for participation in the Eastern Cherokee fund has been reported by me as rejected, for the reason that you are enrolled as an Osage, and would therefore not be entitled to share in this fund.

The notice of rejection which was mailed to you at your former postoffice address has been returned to this office, and we inclose it herewith.

Very respectfully.

No. 13489.

PLEASANT POINDEXTER, being first duly sworn and examined, testified as follows:

Examination by Special Commissioner:

- Q State your name, age, and residence. A My name is Pleasant Poindexter; I am 71 years old the 7th day of March past; My residence is East Bend, Yadkin County. I was born in Surry County, North Carolina, where I now live. Born there and raised there and spent my life there.
- Q Who were your father and mother? A My father was Robert Alexander Poindexter. They were married twice. My mother's maiden name was Charlotte Martin.
- Q Do you claim any Indian blood through your mother? A No, sir.
- Q She was a white woman? A Yes, sir; she was a white woman.
- Q Who were the parents of your father? A Thomas Poindexter and Betty Pledge Poindexter.
- Q When was your father born? A My father was born July the 14th, 1788.
- Q Where was he born and where did he live? A He was born right the other side of my house about 150 yards; he was born and raised there and lived around in little cabins until the old folks gave way.
- Q He lived in Surry County? A Yes, sir; right close to there on his father's premises.
- Q Do you claim any Indian blood through your grandfather, Thomas Poindexter? A No, sir; none at all.
- Q He was a white man? A Yes, sir; he was a white man. His grandfather was a Frenchman; at least I have been raised that way, from reading books of religious history.
- Q Your Indian blood you claim through Betty Pledge Poindexter, do you not? A Through Betty Pledge Poindexter and my father.
- Q That line? A Yes, sir.
- Q Do you know where Betty Pledge Poindexter was born? A I think she was born in Virginia.
- Q Did you know her personally? A No, sir.
- Q When did she die? A She died February 29, 1816.
- Q How old was she at the time of her death? A I could not find her age.
- Q Did you ever hear whether or not she had any brothers or sisters? A Well, now, I have heard it from my uncle, over and over again, but I do not recollect the names from him, but I do not doubt but what I have heard.
- Q Did you ever hear of a Frank Pledge? A Yes, sir.
- Q That, if any, relation was he to Betty Pledge Poindexter? A He was-- I heard it within 12 or 15 months, from an older person than myself, but a younger generation. He was a brother to Betty Pledge Poindexter. It was through cousin Martha Sharp that I heard it. She lives in East Bend.
- Q Did you ever hear, in your family traditions, of John Ayers, connected with the Betty Pledge Poindexter family? A Here, in the rounds, I found out from old Uncle Pledge Poindexter, one of his family. I wrote to find out who went into Macon County; he said that John Ayers-- I wrote to find out who came with Uncle Pledge Poindexter, and she said John Ayers, and she said he was an own ~~uncle~~ of cousin of Uncle Pledge Poindexter.

Pleasant Poindexter-- 2.

- Q Did you ever hear any of them speak of Junalusky? A They spoke of him.
- Q That was only within the last 15 months? A Yes, sir; this summer and spring; within the last 15~~th~~ months.
- Q Before that, you had not heard of John Ayers or Junalusky? A No, sir; not to my own knowledge.
- Q You say that you understand that Betty Pledge Poindexter came here from Virginia? A Yes, sir.
- Q Did you ever hear that she came from Louisa County, Virginia? A Yes, sir; that was my understanding, but I did write to get the license. I think the man was Mr. Wooten.
- Q Your grandmother, Betty Pledge Poindexter, and Thomas Poindexter were married, you think, in Louisa County? A Yes, sir; or in adjoining county. But one thing I want to tell you. But I was trying to find ~~out~~ their marriage and county, and I wrote to him and told him I thought it was in Louisa County; I only asked him for from '40 to '80, and he added to that five years. I thought about 1765, and he said that our county was not formed until ~~1~~ '42, is the way I understand him, and he said the marriage licenses were lost from '52 to '80.
- Q So you were not able to get the exact date of the marriage of Thomas Poindexter and Elizabeth Pledge Poindexter? A No, sir; I was not.
- Q But you wrote to the Clerk of the Court of Louisa County to ascertain it? A Yes, sir.
- Q Who was the mother of Betty Pledge Poindexter? A It is said that Betty Donohoo Pledge was her mother.
- Q Did you ever hear where Betty Donohoo Pledge was born and lived? A Not, sir; but I believe she was born in Virginia or North Carolina - it was in Virginia. I believe she was married in Virginia.
- Q Who was the father of Betty Donohoo Pledge? A I was taught--it was said that a Cherokee Indian chief was her father. It was related to me that she was his daughter.
- Q A Cherokee Indian Chief? A Yes, sir.
- Q Did you ever hear the name of that chief? A Yes, sir-- no, sir-- I will tell you how that was. It was told me in an old, old-time riddle; it was in such a way that it was told me. I was small and child-like. He told me-- I cannot exactly call how the riddle was. It looked like a riddle to me, like Old Gray Goose and House that Jack Built. It stated that it was this way, telling of other people-- telling of Uncle Jack-- John G. He said that Betty Pledge -- that is, Betty Poindexter, that her mother was the daughter of a Cherokee chief; that her mother white and that she was a the daughter of Bill Pledge, and that she was the mother of Betty Pledge, and that her maiden name was Donohoo.
- Q At that early date, the statement was that this chief was Cherokee Indian? A Yes, sir; don't know anything else.
- Q Don't know any other line? A No, sir; no other.
- Q Did the account, as you give it, indicate where Donohoo lived? A Tell, sir; I tell you how it is-- Repeat the question, please. (Question repeated.) My impression is in Virginia.
- Q In the neighborhood of Louisa County? A I do not remember of that. I want to say that it was indicated in some way-- I have an impression on my mind-- it was Betty Pledge was the main wheel horse, that she was the daughter and mother and wife and she was the daughter. That it made the biggest impression on the other ~~sticks~~; you know there were ~~sticks~~ in the team.
- Q Do you understand that Betty Pledge married a white man,-- the daughter of Donohoo? A Yes, sir; she married Bill Pledge, a white man. Did the account, as you have had it, give any further information in regard to the Chief Donohoo, as to the place of his ~~birth~~ death,

Pleasant Poindexter-- 3.

or when he died, or when he was born? A No, sir; a blank in there. But the woman, the mother of Betty Pledge, Mary Wentworth. I have little knowledge, but not enough to mention. I have a little knowledge that she was connected with the nobility of the country, but not enough. Also about the oceans being connected. Whether she came over with her mother, because my uncle's grandmother came over the ocean.

Q Did you ever hear whether your grandfather, Thomas Poindexter, took any part in the Revolutionary War? A Yes, sir; I have heard that. I heard it first--all the main part of my life. He went from my home here.

Q You understand that he fought with the Colonies against Great Britain? A Yes, sir; oh, yes, sir.

Q Did you ever hear that he had any sons engaged in that war? A Let me finish it about him. I believe I saw it on paper that he was a Captain.

Q Did you ever know that he had a son Francis, who also fought in the Revolutionary War? A Yes, sir; either that or the state guard. Uncle Frank was young then; he was my oldest uncle.

Q You have never been enrolled as an Indian yourself, have you? A No, sir; never that I know anything about.

Q Your father was not enrolled that you know of? A No, sir; not that I know of.

Q You have both passed in the community as white men? A Yes, sir; never known anything else in my life.

Q In the days of the muster, you were mustered the same as others? A Yes, sir; yes, sir.

Q Did you ever apply for lands with the Cherokees in Indian Territory? A Yes, sir; I did.

Q When was that? A That was 10 or 12 years ago.

Q You were not enrolled for land? A No, sir; not that I know of; oh, no. If that was not enrolled, I never was enrolled.

Q You did not get the land? A No, sir.

Q On the ground that you were not living out there within the time? A Yes, sir; that she lost her claim by staying here with Thomas Poindexter.

Q Did you ever know of any band or tribe of Indians in your time living in this vicinity? A No, sir; no, sir; I cannot remember that. Never saw but one or two and that was in my childhood. One ditched for my mother and another claimed to be a doctor. Old Mr. Horace Davis went blind.

Q You knew Horace Davis? A Yes, sir; but this Indian doctored him. What was the Indian doctor's name? A I don't know.

Q Was it Sizemore? A I cannot remember.

Q Ever hear of his being spoken of as old Dr. Johnny Gourd? A I cannot remember.

Q Are you acquainted with the Sizemore family? A No, sir; I have studied about that.

Q Are you acquainted with that family in this county? A No, sir; I never remember but one and he pretended to be a doctor. They was some that I did not know.

Q Do you know a colored man that goes by the name of Poindexter that runs the ferry at Donnoha? A Yes, sir; I am acquainted with him.

Q Do you know his parents? A Yes, sir; ~~xxxxxx~~

Q What were their names? A His grandfather was a slave of this old Uncle Jack Poindexter, and a free person, but I do not know the name-- Sawyers.

Q The mother was Sawyers? A Yes, sir.

Pleasant Poindexter-- 4.

- Q His mother's name was Sawyers? A Yes, sir; and his grandmother-- he took his name after this slave ~~slave~~^{great} of old Uncle Lewis.
- Q Do you know anything about the ~~great~~ grandmother, who you say was a free woman? A I have heard of her and known of her since I was a child; I don't know as I ever seen her face.
- Q You have spoken of Thomas Poindexter and his wife, Elizabeth. Did you ever hear whether or not they took up any land in this vicinity? And, if so, how much? A Yes, sir; I cannot tell you only the one survey and that is in the bend of the river. That was 640 acres.
- Q Taken in what year? 1760? A Let's see; as well as I remember, in 1760.
- Q It was then that Thomas Poindexter took up this section of land? A Yes, sir.
- Q Did you ever hear of this Thomas Poindexter's having a brother John? A Yes, sir.
- Q What was his profession? A He was a preacher and County Clerk.
- Q Where? A Louisa County, Virginia. One of my relations in Missouri wrote that Thomas Poindexter ~~originally~~ was born on the banks of the Rapahannock River, in 1733. I got that through a letter.
- Q That Thomas Poindexter was the husband of Betty Pledge Poindexter? A Yes, sir; that is the way I can tell you.

No. 3484

Donnaha, N.C., Dec. 9th, 1907.

Comm. of Indian Affairs,

Washington, D.C.

Dear Sir:-

There seems to be some trouble in regard to the lineage of the "noted" Bettie Pledge who is an ancestress of the Poindesters who are claiming a share in four million dollars going to the Cherokees. This confusion of names I think arises from the fact that there were two persons of the Bettie Pledge family. Let me unravel the whole mystery herein. I will start with my own name. (see application 13489) Pleasant H. Poindesten is the son of Robert A. Poindesten, the son of Thomas Poindesten who married Bettie (Elizabeth) Pledge. This Bettie Pledge was the daughter of William and Bettie Pledge, and this last named Bettie (Elizabeth) Pledge was the daughter of the Cherokee Indian Chief Donnahoo who married Mary Wentworth, a white woman. Again, take Mrs. Lucy B. Bundiff. (Application 18566) She is the daughter of W. A. Poindesten, the

son of Thomas H. Poindexter, the son of
Wm. P. Poindexter, who was the son of
Thomas Poindexter, and who married Bettie
(Elizabeth) Pledge, the daughter of Wm. Pledge
who married Bettie (Elizabeth) Donahoe; and
she was the daughter of the Cherokee Chief
Donahoe.

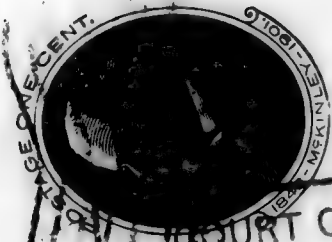

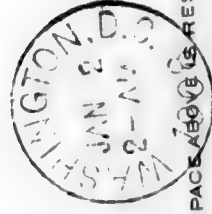

This I trust will clear up the whole matter.
Donahoe lived on the Gauley River, Surry Co.
N.C. and I am told he died here near where I
now live, formerly Surry, but now Gauley
County, W. Va.

Any further information I may be able
to give you, I shall take pleasure in doing
so if so advised.

Respectfully,

Pleasant H. Poindexter.

This letter of Thomas H. Poindexter was published in the Mount Airy News-N.C. in the issue of Aug. 8th, 1907 - this being a clipping from that paper (J.E.C.)

The Ancestry and Descendants of Thomas and Elizabeth Poindexter.

By the act of Congress approved June 30th 1906, four million dollars was appropriated for the Eastern Cherokee Indians. Below is a short history of Thos. and Elizabeth Poindexter, and part of their descendants, most of whom live in Yadkin Forsythe and Surry Counties. Elizabeth Poindexter was the grand daughter of Donnohoo, a Cherokee Indian Chief, and her descendants are entitled to a part of this money.

The first Poindexters in North Carolina were reared near Old Richmond Surry County, in the bend of the Yadkin river, by Thomas and Elizabeth Poindexter.

The grandfather of Thomas Poindexter was a French Protestant, whose adherence to his religious principles compelled him to leave his native land, and seek shelter under papal protection in the Island of great Britain. At this time he was the head of a large family.

The father of Thomas, who was also named Thomas, emigrated to Virginia, Louisa County.

I think also the young lady who afterward became his wife emigrated from England to Virginia. It is said from these descendants all the Poindexters known in America. They reared a large family in Louisa County Virginia. John who was a brother of the younger Thomas was a distinguished Baptist preacher in Louisa and adjoining counties, for many years he was the clerk of Louisa county, and filled this position until his death, which occurred in the latter part of the year 1819. The younger Thomas and his wife, Elizabeth, entered or purchased in about 1760 a section of land, 140 acres known as Bailey's bottoms, in the bend of the Yadkin River.

Tradition says that Thomas Poindexter's wife's maiden name was Pledge and that her mother was the daughter of an Indian chief of the Cherokee Nation; that Bettie Pledge was the mother of Elizabeth Pledge, and the wife of Bill Pledge, and was the daughter of a Cherokee Indian chief.

Her maiden name was Donahoo, Bettie Donahoo Pledge, was the mother of Bettie or Elizabeth Pledge, who married Thomas

Poindexter. Thos. Poindexter died Jan. 1st 1806, leaving a widow and 12 children, his wife Elizabeth died February 9th 1816. She was buried five-eighths of a mile from Donnah N. C. on the top of a steep hill in plain view of Donnah.

Her great grandson, the late Dr. Samuel Martin, of Winston Salem named the village which is opposite her grave, Donnahoo, in honor of Elizabeth Poindexter's grandfather, who was Donahoo the Indian Chief but the name was spelled incorrectly and became Donnah.

I will now give the names of their children, several of their grandchildren and a few of their great grandchildren.

Their children were: Dorothy Randolph, Polly Riding, Betsy McCameron, Patsy Pettitt, Sallie Lovill, Ann R. Scott, Archie Poindexter, Pledge Poindexter, Captain Francis Poindexter, Win P. Poindexter, John G. Poindexter, and Robert A. Poindexter. Among their grandchildren were: Arch Riding, Martha McCameron, Francis Pettitt, Bill Pettitt, Bill Pettitt, Benjamin Pettitt, Nancy Hatcher and Sallie Kelley; Win, Ned, Thos. and James Lovill, David, Francis and Robert Scott, Malinda Martin, Elizabeth Martin and Polly Hall, Thos. Pledge Poindexter who was the son of Pledge Poindexter, William, Henry P., Francis A., Annie and Jane Poindexter, Capt. Francis Poindexter, Rev. Denson Poindexter, Dandridge, Thomas and William Poindexter, Mittie Mathews, and Sallie Stone, who were the children of William Poindexter, Thos. S. and John J. Poindexter, Martha Truelove, Hannah Webb, Page Barber and Mary Marler, who were the children of Sohn G. Poindexter, Ann A. Hartgrove, Elizabeth C. Hauser, Martha Bray Rebecca, who was second wife of Austin Truelove, and also second wife of Jacob Jester, Arichabald P. Poindexter R. C. Poindexter, Mary W. Stimpson, Sarah R. Baker, Lieut. John H. Poindexter, Thos. C. M. Poindexter, Susan H. Johnson and Pleasant Poindexter who were the children of Robert A. Poindexter.

Among their great grandchildren were Benjamin Pettitt, Hon. and Capt. Francis and Henry Lovill, and their bothers and sisters, Dr. Samuel H. P. and Thos. S. Martin, and their sisters, and

His wife Julia, is 76. P. H. Poindexter 70 years of age, his wife Temperance A. is 66. Robt. A. Poindexter has 50 grandchildren, not counting the children of Rebecca Truelove or Sarah Baker nearly all live in Yadkin and adjoining counties.

My dear relatives, some of this is from records, some from tradition, and some from memory, but I have tried to misrepresent no one, and I believe that you will find all to be true.

Nearly Lost His Bride.

Cincinnati, Aug. 5.—A. J. Cunningham, Jr. Cincinnati lawyer and clubman, came near losing an heiress because his nerve failed him and Miss Myrtila Dobbins, of Proctorville, worth half a million in her own name eloped to Ironton to get married against the will of the bride's mother, who was hot on the trail.

Reaching the court house Cunningham demurred and said, "I don't know what to do."

This remark almost lost him his bride, and she answered, "Well, we came here to get married, and if you don't know what to do, I do," and with that she ran out of the court house.

Cunningham quickly followed and caught his bride-to-be on the street. He hesitated no longer.

Poindexter.

Martha P. Benbow, being first duly sworn deposes and says:

I am 47 years of age, and was born and raised at East Bend, N.C. I claim Indian blood. I have heard all of my life that my great grandmother was a Cherokee Indian. She was called Bettie Pledge Poindexter, and was the wife of Thomas Poindexter. My Indian blood comes through my father, Robert Poindexter, who is dead. He died at East Bend, and was about 70 years of age at that time. He was born and raised in this county. He has been dead about 25 years. I knew him quite well, but have never heard him talk much about the Indians, because whenever the Indians were mentioned and about his people going off, he took such a sadness. He was a merchant here. The first one I heard discuss the matter plainly was Dr. Sam Martin, at the time of the building of the railroad here, and the naming of Donnaha, which was about 26 or 27 years ago. About the time of the agitation of the land claims in Indian Territory, when I was filing my claim, my aunt said that my great grandmother was the daughter of the Cherokee Chief. My aunt referred to was Susan H. Johnson. My father's parents were Robt. H. Poindexter and Charlotte Poindexter. I remember my grandfather. Pleasant Poindexter is my father's brother. Fannie Anderson is my sister, and live at Callahan, Davie Co., Ellen P. Huff, Dorothy Spear, Minerva Martin are my sisters and I have five brothers who are Poindexters. They have all died.

FOR MINOR CHILDREN

For share of money appropriated for the Eastern Cherokee Indians by the Act of Congress approved June 30, 1906, in accordance with the decrees of the Court of Claims of May 18, 1905, and May 28, 1906.

Robert Morris being first duly sworn, deposes and says:

I am 55 years of age and live in Mc Minn Co., Tenn. I claim my Indian descent through my mother and my grandmother. My grandmother, Mary Pierce, maiden name Turk, was a half blood. My great grandparents, Columbus Turk and Christena Turk were both Indians. Don't know when they died. My grandmother was born on French Broad River in Cocke or Sevier Co., Tenn. Then they moved to Valley River near the corner of Tenn. N. C. and Ga. about 1833. That is where my father married my mother. They went to Tellico River about 1846, ~~xxxxxx~~ (Monroe Co., Tenn.) Then went to Arkansas by way of water, I think. My grandmother Pierce went with my father and mother to Ark. and died there. My mother died 1906 in Mc Minn Co., Tenn. My mother nor grandmother were never on any roll that I know of. If my mother was enrolled it would have been under the name of Sarah Morris. In 1851 she was living in Ark. with a man by the name of Flanigan, also lived with Levi Barrett, an Indian hunter. This was at Elm Fork, Ark. I don't know that my grandmother ever had any brothers and sisters. My mother never lived with the Indians except out there in Ark. when she lived with Flanigan. She lived with the Indians with her father when she was a child. That was up on Valley River. If my grandmother had been enrolled it would have been under the name of Pierce. My grandmother died somewhere between 1846 and 1851. I have been recognized always as white with Indian blood. Outside of my mother, all of my ancestors are white. This is the only application I ever made.

H. B. Moss being first duly sworn in behalf of Robert Morris, deposes and says:

That I am about 53 years of age and live in Mc Minn Co., Tenn. I was acquainted with Sarah Moss during her life time, along about the year 1870 until she died. I have heard her say that she was from Ark. and that she had an Indian claim out there. I never heard her say where she originally came from, nor about her early history. All I know is that she claimed to be 1/4 Cherokee Indian. I have known Robert Morris since he was a boy. He is recognized as a white man as far I know. I never heard his mother state whether or not she was on any Indian roll. That is about all I know. The mother of Robert Morris was recognized as having Indian blood in her.

William Taylor being first duly sworn in behalf of Robert Morris, #13499, deposes and says:

That I am 54 years of age. I am acquainted with the mother of Robert Morris. Have known her 15 or 20 years. She claimed to be 1/2 Cherokee Indian and in conversation had with her at one time she told me that she lived on Valley River, ~~near~~ close to N. C. She said she went to the West, Ark. I think. She got sick there and had to come back. She went out there to look after some land through the Indian tribe. I don't know when it was that she went out there. She didn't tell me. I remember her telling me that she went. She didn't tell me whether she was ever on any roll. I don't know whether she was ever known by any other name or not. This conversation came up over some proposition that was made to her to take up land in the Ter. I don't know who made the proposition.

App. #13499

J. B. L. D.

Arkness Tennessee
Feb. 25 1908

Hon. Guion Miller Spt. Comm.
Washington D. C.

Dear Sir: Respectfully replying to yours of 2/14/08.
My claim is this way. One Dosa, a full blood
Cherokee Indian, living partly in Valley River settlement
in Polk Co. Tenn. (or on line of Cherokee Co. N.C. near where
Tennessee, Georgia & North Carolina corner) This Dosa
& his wife, both ^{Cherokee} Indians of the full blood, had
a daughter, Christina, who married Columbus Turk
reputed full blood Cherokee, (if any admixture at
all in him it was slight white strain.) This Colum-
bus Turk & wife Christina (Dosa) Turk had a
daughter, Mary Turk, who married M. L. Pierce;
This Mary (Turk) Pierce died in the River bottoms
of Arkansas, on a trip to the Indian Territory; my
mother was her daughter, Sarah Pierce who mar-
ried my father Isaac Morris. Her full name
was Sarah Melinda Pierce, before marriage. M. L.
Pierce, & my father Isaac Morris were full blood
white men. I do not know why my mother
was not enrolled, unless it was because she had
married a white man. My mother was with her when
she died, as they were going by wagon to the Territory
& part of the family came back to East Tennessee.
There is no Negro blood in our connection. My
mother, (who is dead) always claimed to be of the
"quarter blood" ($1/4$) Indian, tho' she looked fully a half.
The year my grandmother went to the Territory
(& died en route) I cannot give. Once people were uneduca-
ted & kept few records. I think Albert & John Pierce
began going to the Territory about 1845 & made several
trips up into the '50's. None of our family were ever
enslaved. There is no question as to our Cherokee
blood if we could connect with the enrolled relative.
It is possible the enrollment shows an Indian name
that in these years has been forgotten.

Your kind offices herein will be appreciated
Sincerely
Robert Morris.

App. #13499.

February 14, 1902.

Robert Morris,

Athens, McMinn Co., Tenn.

Sir:-

You have on file in this office application #13499 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state your great grandmother, Christiana Turk, was a half blood Indian, and that you claim through your mother, Sarah Morris, who was Sarah Pierce before marriage, and that your grandparents on your mother's side were Lewis Pierce and Mary Turk.

I beg to advise that the names of Turk and Pierce do not appear upon the roll of 1851; nor does the name of Sarah Morris, your mother, appear upon the roll of 1851. Do you know if your mother was not enrolled in 1851, if she was an Eastern or Emigrant Cherokee Indian? To what race of people did she claim Indian did she belong? Was she a descendant of an Indian and a white man or an Indian and a Negro? Were any of your people at any time held as slaves by the Cherokee Indians? In what year did your Indian ancestor go to the Territory—that is, Indian Territory? You speak of the two brothers of your mother, Adams and John Pierce, who lived in Arkansas. When did they emigrate to the Indian Territory?

Very respectfully,

Sir---

My application for emigrant shares of eastern Cherokees I commenced making on the 1st day of Dec last, and completed same on the 12th of same month Dec.

My application appears in a somewhat jumbled shape but correct and true as far as made of record therein-- and in connection therewith, I make this statement to you for further additions to my case as to persons on whom I claim on--and in this way--

Alex McCoy is my uncle brother of my mother, and he appears or rather acts against me in this matter- and I am too young to have any correct knowledge of my kins folks except as far as I have went---

Now as we are so related, I ask the department to include me in each case he applies on, and base the action on my relation to those he applies on according to myself and his relationship as stated.

I also claim on my father Ave Foreman whose Cherokee name was in Indian A-we Kul-sa-che, also on my grand father, his father Tom Foreman, or Kul-sa-che; also on his mother my fathers, if found on any rolls showing conclusively her and as my said grand mother---

My Mother was named Sally, and she was sister of Alex McCoy, therefore I stand as my mother to the shares he applies for--I have a half sister on my mothers side named Eve Young at Stilwell I.T.

This step I take in addition to the orig application in order to do my best in my own interest, and that of my half sister Eve Young, whose name now is Cochran.

I have heard that my fathers mother was named Al-say, and if so determined then her share I ask---

Supplemental
Application
of
Wm. Foreman
McKay, I.I.
Emigrant. Shaws.

The Hon. Commissioner of Indian Affairs,

Washington, D. C.

Sir:---

In addition to my application made some time since for shares of emigrant money, as heir and legal representative of the the persons claimed on, I here and now respectfully ask to make this addition to my said application, on names since learned to be my Kin-folks, and as I understand my uncle Alex McCoy has filed on--

They are named as follows, and I apply for their shares on the same grounds on which said Alex McCoy filed on same---

Sally, as my great grand mother--

Witch, her child and my great uncle---

Crier, also child of Sally, as my great uncle---

The three above named were residents of Skin Bayou Dist.

Then on the following named relatives of mine as per said Alexs application--

On Rachel, sister of my grand father McCoy dec. as my grand aunt

On Young Squirrel, child of said Rachel--also my relative.

They will be found in the family of the name as here given, and I make the request for the shares of said named family also other than those named, because of same family and members thereof are of reason related thereto and sequently my relations, and hence their shares are due me to the extent of the interest my relation to them goes---They are as follows:---

Heavy,

George,

Young Squirrel,

Johnson,

A-key,

Quatesy,

Rachel,

Sul-la-tees-ky.

With reference to said names, I am only able to take the same position with reference thereto as my uncle Alex McCoy did, as he appears to be against me in the matter, and I being the child of his sister, I share my mothers share in said money due these,

as one heir to my mothers estate---

I make this request in good faith, and for any amounts due her of this money- also because, in case I failed to apply for same, I may be not considered in the investigation of the cases and thereby lose out--

My post office address is Kekay, Ind Terr---and I ask in this matter that my rights in the premises be considered along with my original application as now of file, and that I be considered as I present myself, an heir and entitled therein---

I also make this appeal for emigrant shares, and the pay- to me of said shares under and by virtue of the findings of the Court of claims in same case, and as per the affirmation thereof by the Supreme Court, with the restrictions imposed thereon and limitations made by said court on said decree---and as affirmed by Congress providing means with which to pay said findings of the Courts---

App. #13518.

February 24, 1905.

Amanda Kenner,

Jasper, Ga.

Madam:-

You have on file in this office application #13518 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim through your mother, Mary Mann, who was the daughter of John and Malinda Mann, and that John Mann was the son of Elizabeth Mann, nee Smith, and her mother was Nancy Hally, a Cherokee Indian.

I beg to advise that the names of your ancestors do not appear upon the rolls of 1835 or 1851. Please furnish this office with the reason for the non-enrollment of your said ancestors. Were they Indians and Whites, or Indians and Negroes, and were any of your people at any time held as slaves by the Cherokee Indians?

Any information you may be able to furnish this office regarding your Indian ancestors will be appreciated.

Respectfully,

Special Commissioner.

You were notified to appear at Jasper, Ga. on July 9, 1908 before my assistant, Harold W. Ketron, and produce additional testimony in the matter of your application to participate in the judgment arising from the Court of Claims in favor of the Eastern Cherokees. You failed to appear or produce any witnesses, and as we will not be in your section of the country again for the purpose of taking testimony, it will be absolutely necessary for you to answer each of the following questions. If you cannot answer any of the given questions, state why, that we may know it has not escaped your notice.

3. Did you or any of your ancestors ever reside with any tribe of Indians as recognized members of the tribe? (If you answer Question 3 in the affirmative, give the name of each ancestor who lived with the Indians, state when and where they lived with them, and give the name of the tribe).

Mr. Miller:
Washington,

I claim to be an Eastern Cherokee Indian
by blood through no other line of
descent than through Donahoo
& Bettie Pledge Trindexter.

I made my application wholly from
memory. I have no records of the en-
rollment of 1835 or 1851. If I am
not entitled to any part in the ap-
propriation, I don't want any.

COURT OF CLAIMS
EASTERN CHEROKEES.

Rec. JUL 13 1909

No. 13522

Cas. B. Bond, Jr.
July 12, 1909

Mr. Miller:

Washington, D.C.

Some two years or more ago, I wrote you concerning the Indian claim, (or rather to Mr. Roosevelt) and he handed my letter to you and in reply you sent me some thanks to fill and a poster to put up at some public place, which I did as directed.

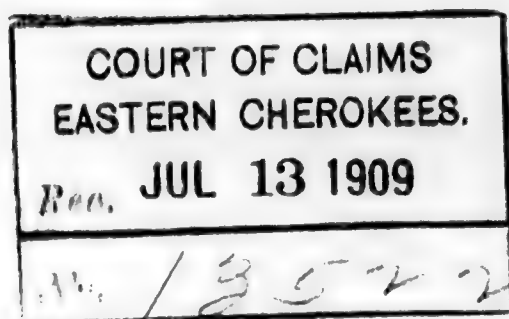

Now from the information given me at that time by you I saw that there was nothing in it for all the people in this country (as well as myself) so I never bothered you

any further with it as to my
paid, but as you know, not
hundred, and in addition
who had no right in the very
case as not one of them nor
their people had ever been en-
rolled in either 1855 or 1858,
neither had they ever heard
of such an enrollment. How is
those claims have been rejected.
I just thought I would just
write this word that to my mind
you have done the right thing.
I herewith write you a correct
statement of Mr. J. H. Pindexter,
whose application no. is 13522,
who is the oldest applicant perhaps
in all this country, being in
his 81st year, he is perhaps the
oldest Pindexter in California.

Betty Pindexter, whose maiden
name was Betty Pledge, through
whom all these applications
were made. He above Betty Pledge
died some where between 10 and
20 years before he was born.
Mr. Pindexter was about 6 years
old at the first enrollment
and about 22 years old at the
last and says he never heard
of any enrollment whatever.
Neither does he, as well as all the
rest of those applicants of this
territory, belong to the "Eastern
Shoshone" so far as he knows
or ever heard tell of.
But he feels like ^{that} of any of his
relatives, yet, or has been expected
that he should be, but that
he does not want one cent.

that in justice belongs to him
and that in his application
he only made it, that if he
should be a lawful appen-
ant who all well but if not
all well.

Very Respectfully
New York, N.Y. J. H. Simpson

SIR:

In the matter of the enrollment of the Eastern Cherokees for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, of May 28, 1906, the Court of Claims on April 29, 1907, entered a further order directing the distribution of this fund *per capita*.

Under this order all Eastern Cherokees by blood, who were living on May 28, 1906, who can prove that they are descended from Eastern Cherokee Indians, parties to the Treaty of 1835-6 and 1846, will be entitled to enrollment. Minor children are to be enrolled with their parents.

You have already filed application No. *13522* for your own share of this fund, but it does not show whether you have any minor children. If you had any minor children living on May 28, 1906, you should fill out the inclosed Supplemental Application, and together with two witnesses acknowledge the same before a Notary Public or other proper officer, and should mail said application to this Office immediately.

If you have already filed a separate application for your minor children you need not file this supplemental application.

Do not fail to put your own application number on the supplemental application.

If you have children of age who have not filed applications, they should apply at once to this Office for an application blank, which will be forwarded without charge.

You should address all letters on this subject to the Special Commissioner of the Court of Claims, 601 Ouray Building, Washington, D. C.

Very respectfully,

GUION MILLER,

Martha Ashley being first duly sworn deposes and says:-

I am the mother of these minor children. Their father is dead. He died in 1901. He was a full blood Cherokee. His father and mother were both emigrants. Their children never did nor did their father receive any old settler money. They all got land. Their father is on the 80 roll page 170 #2524 as Bill Shotpouch. That was his real name. But he went by the name of William Keys as he was raised by a family by that name. His father's name was Jack Pouch or Shotpouch. and his grand father's name was Pouch or Shotpouch. He was raised up in one of the Northern districts, but I do not know which one. See Pl. 335-1/2. My husband was always considered as an emigrant Cherokee by all that knew him. He is on the 96 roll as Will Keys page 41 # 1131. The children's names are George born in 1894, Jesse born in 1899 and Henry born in 1900.

My name is Wm J. Flower, and I live at Parkdale, Ark. I am 59 years old. I know Mattie S. Early and Benj. L. Bell, and I also know Cyrus Hathaway. I am no blood relation ~~thru~~ to the people just mentioned. I myself have no interest in the claims they may have against the Government. I have heard that these people just mentioned have Cherokee Indian blood, being descended from Indian ancestors. Mollie A. Flowers, my wife, the neice of Benj. L. Bell claims through the same line of descent. I have talked with the old gentleman Wm Bell, the father of Benj. L. Bell, and he has told me that his wife was an Indian woman, of Cherokee blood. I think he told me that his wife was born in North Ga. They left Ga. in 1833 or 1834, and went into the Pea River country in Ala. ~~Wm Bell left~~ Wm Bell claimed that his wife was nearly a full blood, but that they had never had much to do with the Indians since their marriage. Mr Wm Bell had some Choctaw blood in him, getting it from his mother. I, Wm Flower, brought up some Negroes from north Ga., and in talking about them Wm Bell told me that he was raised in the same part of the country. Wm Bell died ~~in~~ about 20 odd years ago.

Benj. L. Bell being first duly sworn deposes and says:

My name is Benj. L. Bell, and I live at Hamburg, Ark. I am 50 years old. I claim my Indian descent through my mother, Nancy Bell. She had more Cherokee blood than Choctaw, but she had some of the latter mixture. My father might have had some Indian blood, for I have heard him talk some of this ~~blood~~, but I have no record of his blood descent. He claimed I think that what Indian blood he had was Choctaw. My mother died in Ashley County, Ark. aged about 45. I have heard my father say that my mother was born in Ga. I think she was born on a river called the Chiptawapoo, I do not know the County. She left Ga. and went to Pike County, Ala. where she was married to my father. I have no way of knowing how old my mother was when she left Ga. nor what time it was. I think my mother got her Cherokee blood from her mother, ~~whose name was Nancy Harrison~~, and the Choctaw blood from her father, Middleton Harrison, I think. My mother's mother may have been named Nancy Harrison, but I am not sure. I think she, my grandmother, was born in S.C. She out lived my mother, but I do not know how many years. I can remember my grandmother, but I cannot remember my mother. Grandmother was very old and very feeble when she died. She came from Ala. the same time the rest did, and died in Ashley County, Ark. I have heard people say that my grandmother looked like full blood Indian. I have always heard that she was Cherokee. My father has also told me this. None of my people ever got any money from the government on account of their Indian blood. In the community in which I live it is generally known that I have Indian blood in my veins. But all my ancestors except the Indian strain are white. All my family are dead except one sister, and I am the youngest of them all.

My name is John W. Bell, and I live Hamburg, Ark. I am 40 years old. I claim my Indian blood through my mother, Mary bell. She has been dead about 25 years. She died in Ashley County, Ark. She was not very old at the time of her death. She was born and raised in Ashley County. I was too small to remember what my mother would or could tell of my Indian ancestors. I have heard the neighbors and my uncle Benj. L. Bell speak of our Indian blood. My mother got her Indian blood from her mother, Nancy Bell. I cannot say how much Indian there was in my grandmother, Nancy Bell. I always heard it talked of as Cherokee. I have no knowledge where Nancy Bell was born and raised nor of where she died. I am regarded as a white man in the community in which I live.

Mattie S. Early,

Snyder, Ashley Co., Ark.

Madam:-

You have on file in this office application #13539 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim by right of your mother, Conie Bell, who was the daughter of William and Nancy Bell.

I beg to advise that the names of your mother and grandparents do not appear upon the roll of 1831. I notice under the head of remarks you state that you think your mother's people were enrolled in 1831. Please inform this office why you think they were enrolled--that is, your reason for same. She was the full-blood Indian ancestor, and where did he or she reside in 1831? When did your ancestors claim Arkansas--that is, what year? Were your people Indians and Whites or Indians and Negroes, and if any of the above held as slaves by the Cherokee Indians or by this people?

Respectfully,

Special Commissioner.
